## The von Stackelberg Hotel Tallinn \*\*\*\*

The von Stackelberg Hotel Tallinn is located directly on the old town of Tallinn, at the foot of Toompea Hill, just few steps from the Parliament building. The von Stackelberg Hotel Tallinn is a fully renovated lifestyle hotel, featuring modern facilities in a historical setting. It creates something completely new unique atmosphere, where the old meets the new.

This building was originally built in 1874 as a private residence for a German baron Theophil von Stackelberg. To keep the historical interior, the original limestone walls has been kept inside to create a warm and welcoming environment, though combined with original lighting and design elements to give it a bit more edge.

All 52 rooms feature in-room free computers with high-speed internet access and tea and coffee making facilities. All the hotel is air conditioned and the rooms can be individually controlled. Superior ZEN rooms feature natural stone bathrooms with Jacuzzi baths and aroma oil bathroom amenities with bathrobes, slippers and a mini-bar. Massage and day-spa services are available on request and dining is available in the La Boheme brasserie and bar. With great location in the old town, The von Stackelberg Hotel Tallinn is perfect for tourists or business travelers and the hotel prides itself on its friendly staff and excellent service.

- 52 rooms and suites
- In-room computers with 24/7 free internet access
- Satellite-TV and IDD telephones
- Mini-bar and digital in-room safe
- Air-conditioning and heated bathroom flooring
- Endless in room coffee/tea
- All day dining La Boheme brasserie and bar
- Summer Courtyard and Grill
- Sauna and Spa facilities
- 4 conference rooms up to 200 pax
- Estonian folklore restaurant Tricky- Ants Farm (Kaval-Antsu Talu) in the Carriage House
- 2 minutes walk to several parks
- Free parking, with a gated area available at charge.

**TALLINN... a medieval gem**

The passing centuries have made Tallinn's historic centre the city's best-known trademark. The old town has several unique buildings, like the Oleviste church, in its day the tallest building in the medieval world, the longest intact medieval city wall, and the oldest functioning apothecary in Europe.
